

YET code and testing	Subsequent to receiving the YET code, we made the first attempt at installing it, including the significant number of pre-releases that accompanied it. There were a few issues/anomalies with PA/SA (Student Course Selections) as well as the Company File. These have been reported to aal and we are awaiting their response.
End dating program assignments on withdrawal	We received more info from aal regarding this topic, and analysis is underway. Once complete we will let you know if anything has changed from last year.
Health Checks	<p>The new District Data Verification Checklist for YET, a summary of the data health checks we execute with suggestions/notes on each, is located on the Year End Transition 2010 page which can be accessed via links found on/in the:</p> <ul style="list-style-type: none"> • BCeSIS Important Dates calendar • School Year End (pre-YET Activities) page in the Learning Resource Centre > Recurring Events and Processes • Countdown to YET news item on the front page.
CC and YET	The CC and YET resource has been posted to the ISW > Learning Resource Centre > Focused Areas of Interest > Distributed Learning (DL) page. The Elluminate recording of the CC and YET learning event can be accessed via the School Year End (pre-YET Activities) page or from the Learning Event Schedule.
Test Cases	If you have suggestions for test cases for YET, please submit a HEAT ticket to the Service Desk with the subject YET Test Case. Please include all appropriate test scenario information.
